Travelex services are available to HT members ONLY.

**NOTE:** The DEFAULT FEE SCHEDULE is used for Corridors (countries) that do not have special pricing. So, if a certain Corridor (country) is not found on the fee schedule listed by NAME, the DEFAULT FEE SCHEDULE is used.

The Agent Directory link shows all the available countries to which money transfers can be sent. Some of the countries on the Agent Directory are not listed by name on this Travelex fee schedule. If that is the case, use the Default Fee Schedule to determine the price for that particular country.
